A special year at Bath-full of fun, learning, disappointments, and changes-this was the 1968-69 school year. The year was made special when we met our new principal, when the band script-wrote BATH across the football field at Homecoming, and when the basketball team cut down the nets at Celina. This was the year we saw Apollo 8 circle the moon, we mournfully stayed after the game at Anderson Arena to congratulate our victors, and we honored a great fallen President. Trying to capture in pictures and in words as much of the Spirit of '69 as possible is the purpose of this RECAL, and remembering the year when it's over is a part of that Spirit that will live on and on.

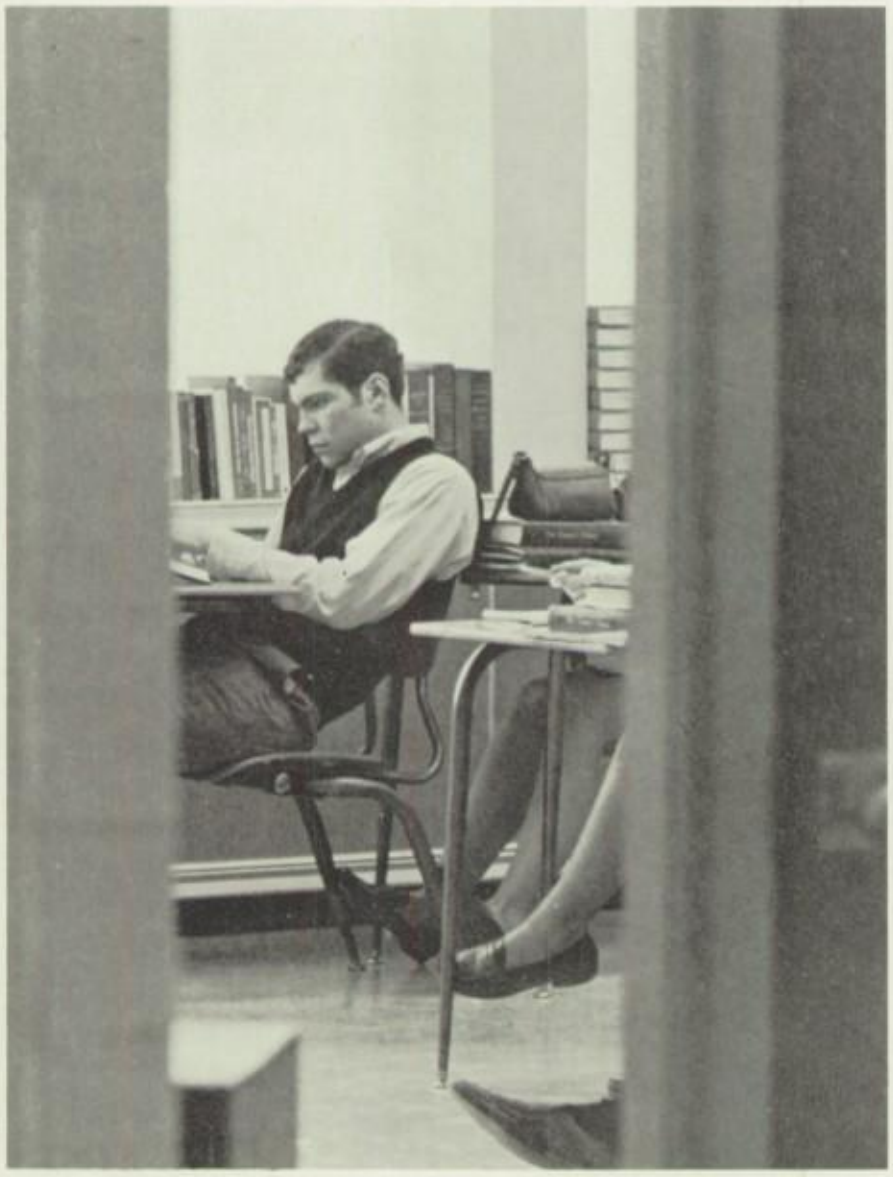
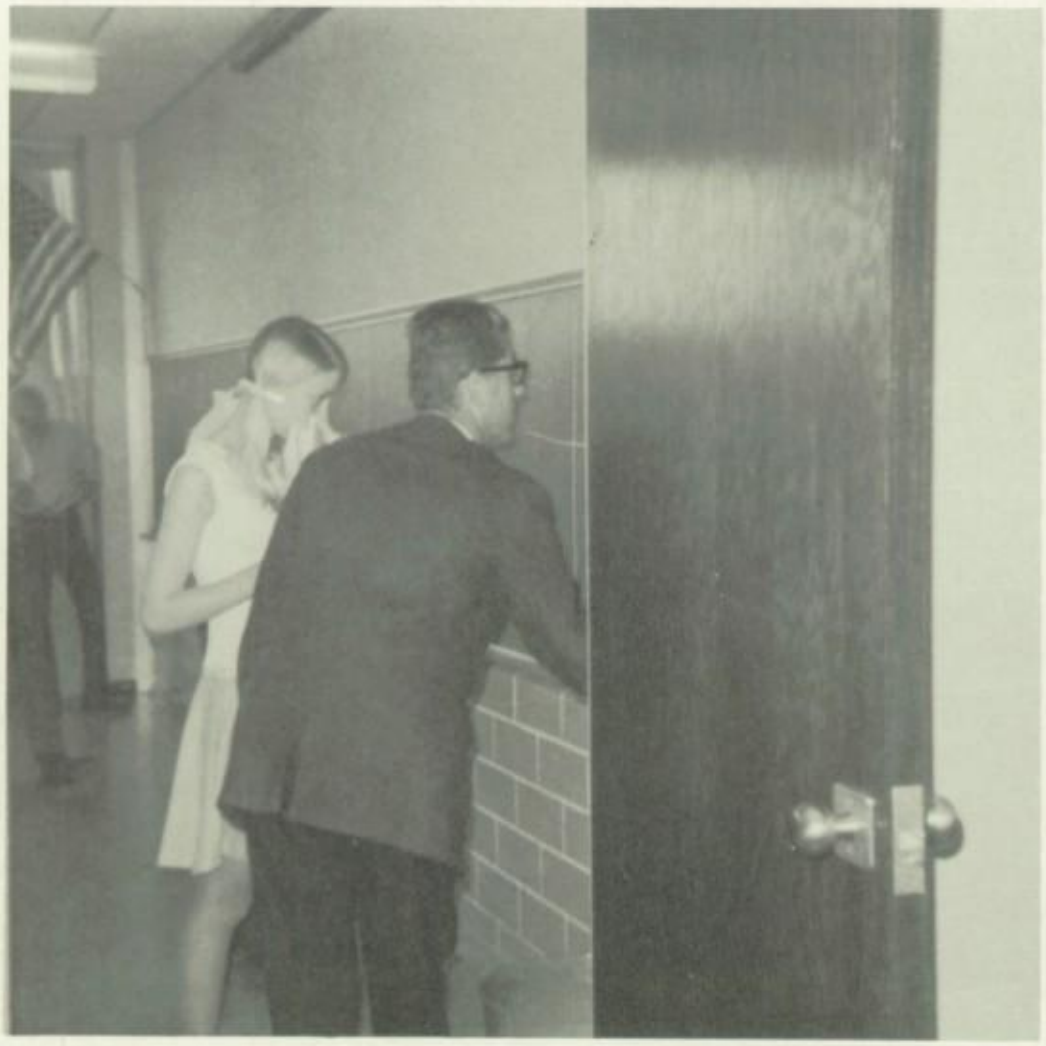
Studying is part of '69's Spirit???



Kentucky U's Adolph Rupp contributed to Spirit of '69.

When the phrase *"The Spirit of '69"* was first introduced at Bath, many questions were asked, "Is it a new George Orwell book?" "Is it a cheer, a drink, or a foreign car?" Finally the students discovered that it is living and all the influences Bath High School has had on each one. This is the true meaning of *"The Spirit of '69"*.



A major part of the Spirit of 69 is the spirit of the administration and faculty. Without their dedication and service we would not have a school at all. The administration guides the overall work of the school, while the faculty guides the students both individually and in groups. Without this excellent education and guidance, our generation would be lost in a world of technology and a world that has not time for the individual. For this, we salute the spirited faculty and administration.

Administration Guides Education

Superintendent Robert J. Thompson has been in the Bath School System since 1952. He received his B.S. and M.E. degrees from Bowling Green State University. Enjoying travelling as a hobby, he is also interested in history.

The school board convenes periodically to discuss school policies. Members of the board are Mr. Robert L. Lamb, President; Mr. Robert Kohli, Vice-President; Mr. Ron Ebling, Mrs. Patsy Lamb, Mrs. Margaret Wolford, Clerk; Mr. Russell L. Orchard, and Mr. Robert J. Thompson, Superitendent.

Bachman Takes Helm As Principal

Mr. Bachman and the Guidance Department do their best to solve the problems of the students. Their years of experience and understanding make the Bath Guidance Department one of the best in the area.

Mrs. Workman, the girls' guidance counselor, works with Dolores Kleman and Cathy Sandy on plans for college.

Secretaries Make Bath Run Smoothly

By revamping an old saying a little, it comes out, "Behind every well-run office is a good secretary!" This certainly is true here at Bath, as we all can testify. Almost every conceivable task or problem ends up in the office and usually is handled with routine ease, all in the days' work.

Mrs. Wolford is the township clerk.

Mrs. Hawk is Mr. Bachman's secretary.

Mrs. Amstutz is Mr. Thompson's secretary.

Mrs. Ott is the assistant township clerk.

Miss Rummel is the office secretary.

Cooks, Custodians Are Important at Bath

Among the many services rendered to the students of Bath High School are those of our cooks and custodians. Although they are not directly involved in the classroom, their influence is felt throughout the day. We commend our cooks and custodians!

Serving as senior class officers were Rhonda Whetsel, Secretary; Larry Runneals, Vice-President; Bill Wolford, President; and Laura Bowden, Treasurer.

The Spirit of '69 had a special meaning for the Class of '69. Many of the seniors had gone completely through school together and many close friendships were the result of those twelve years. Greater responsibilities as leaders of the school were placed on the seniors and new privileges were granted them. Many of the individuals' scholastic and athletic endeavors throughout high school were strengthened and then recognized as seniors. The students struggled to complete term papers, memorize physics equations, and polish their Dale Carnegie speeches. The final destination seemed very far away, but time passed quickly and suddenly it was June. This meant the beginning of a new way of life for the members of the senior class of '69, but the memories of the Spirit of '69 will always be cherished.

With ever increasing pride in Bath High School, the underclassmen have strived to reinforce the Spirit of '69 in all areas of Bath school life. Contributing academically, musically, and athletically the underclassmen have excelled in each field hoping to maintain the high spirit of many classes gone on before them. Without this cooperation of underclassmen with faculty, administration and, yes, even the seniors, the Spirit of '69 at BHS would not have been as keenly alive as was experienced this year.

Underclassmen

Class of 1970

Class Officers: Vice-President, Ruth Bolyard; President, Lyle Symonds; Treasurer, Greg Rhine; Secretary, Peggy Brown.

The busiest and most exciting year in high school for many is the junior year. This year was no exception. The juniors carried out several money-raising projects. They took charge of the concession stand at home basketball games during the regular season and held several dances after the games. Their main profits came from the traditional magazine and candy sales.

The profits from their projects went toward the Junior-Senior Prom. The Class of '70 discovered how much hard work and enjoyment can be involved in planning the Prom.

This year the junior class play was replaced by a comedy review which was entitled "Our Thing." The review was a take-off on the "Laugh-In" and included comedy sketches and satire. "Our Thing" was directed by Mr. Lynn Schneider.

Class of 1971

Class Officers: Steve Rhine, Vice-President; Diana Fraley, President; Jan Amstutz, Secretary; Laura Kleman, Treasurer.

Relief was the key word for the sophomores this year. They were happy to leave behind their freshman insecurities and face the prospect of a responsible sophomore year.

They bore this responsibility quite well by employing several money-raising schemes to ease the burden of their junior year. The Class of '71 raffled off the football used for the Bath-Celina game in November. Class dues were also collected. The sophomores, working with the Student Council, sponsored a "Liberation Day" prior to Thanksgiving vacation.

With spring came the realization that the half-way point of their high school education had almost arrived. Although they were sad to say good-bye to their carefree days of Latin translations and frog dissections, they were buoyed up by the anticipation of ordering class rings.

To the sophomores, the Spirit of '69 was a combination of relief and anticipation.

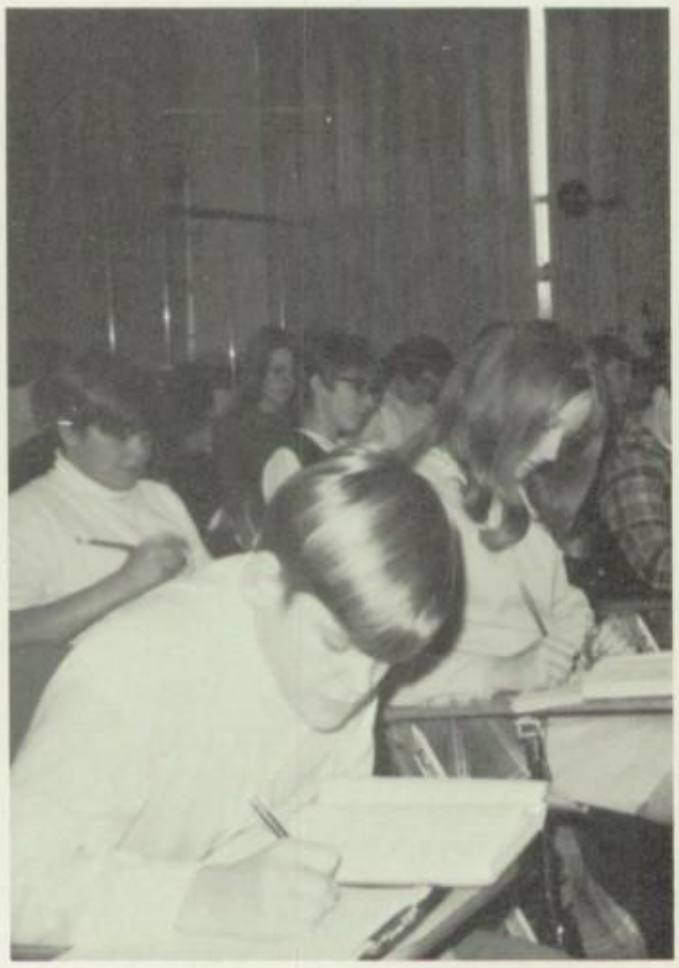
Class of 1972

Freshman Class Officers. *Kneeling*: Dave Oliver, Treasurer. *Standing*: Jay Thomas, Vice-President; Donna Martz, Secretary; Dave White, President.



Freshmen take great notes!

Dave tackles the world.

All students must undergo some very frightening experiences. One of the most frustrating of these is their freshman year. There were adjustments to be made in several areas during this year. The most important change is in study habits. Each student has had to revise his personal time schedule in order to participate in those school activities in which he was interested. The Class of '72 made these adjustments rapidly and quickly conformed to the school society. The frosh have also discovered that those awesome creatures known as upperclassmen can be very friendly and even understanding.

This year the freshmen have contributed a great deal to athletics, cheerleading, and especially to the March of Dimes campaign. They collected the largest amount of money during the campaign. This entitled them to elect a king and queen for district competition. They chose Deb Wilfong and Tim Shimp to be their candidates. Deb also submitted the winning slogan for the United Fund Drive. Her entry was: "Together we live, united we give." To the freshmen, the Spirit of '69 has been discovery.

Student organizations and activities provided an opportunity for all students to become more involved in school life. Through hard work and long hours, students learned how to handle responsibility, and how to work with others. This organizational work is as important as the conventional "book-learning". Definitely this is a part of the Spirit of '69.

The Spirit of '69

Is Organizations and Activities

Ethan Allen Honors 25

The members of the Ethan Allen Honor Society consisted of 15 percent of the top 25 percent of the students in the senior class. They were elected by our high school faculty on the basis of scholarship, service, leadership, and character. The purpose of the Honor Society is to create an enthusiasm for scholarship, to stimulate a desire to render service, to promote worthy leadership, and to encourage the development of character in students in high school.

On April 16th a banquet was held at Perry High School for the members of the organization. Larry Runneals gave an impressive speech on leadership. The members of the Honor Society received certificates and pins as symbols of their membership.

Mr. Bachman presents a pin symbolizing membership in the Honor Society to Karen Miller.

Student Council Supervises Use of Courtyard

The Bath High School Student Council is an organization developed to improve the rights and privileges of the student body.

The council consists of six seniors, six juniors, six sophomores, and five freshmen. The members are elected by the students of their own class.

The council has sponsored numerous projects and services throughout the school year. Among these are: The Homecoming Dance, Thanksgiving and Christmas assemblies, and freshman orientation. They also revised the student handbook and sponsored an arts festival.

The Student Council is also responsible for access to the courtyard for students.

The officers were: Bev Fields, President; Jerry Jewell, Vice-President; Deb Lackey, Secretary-Treasurer; and Dennis Goedde, Sergeant-At-Arms.

Recal Staff Chooses Spirit Theme

The 1969 Bath Recal is comprised of long hours of hard work and droopy eyelids. Under the direction of Mr. Robert L. Hartshorn, the annual staff has strived to accurately capture the memories of *"The Spirit of '69."*

During the course of the year, several discoveries were made, one of these being the realization of how much after-school work is involved in preparing layouts, writing copy, and proofreading. A most shattering discovery was made when the Homecoming page was to be laid out and there were NO Homecoming pictures! After struggling with proportioning pictures, several members discovered their need for a refresher algebra course, as well as needing to relearn the alphabet. Despite all the hard work and frustrations, we have found Recall staff work to be a very rewarding experience.

Division editors pose on the playground's slide.

Co-editors Lil Cramer and Cindy Early found that riding a teeter-totter has as many ups and downs as working on the Recal.

Co-editors Pat Sims and Steph Pugsley devoted much time and effort to the improvement of the quality of the Wildcat Roar. This year the paper was printed entirely at school; and a special method of structure was employed in the construction of pages.

There were also some additions to the "Roar". Cartoonists Rick Jenkins and Dave Mayhew contributed to the paper with their "Footsies" and other clever sketches. Liann O'Neill edited the "Inner Side of My Soul," a page devoted to the works of professional folk-poets and the poems of the students themselves.

The staff was indebted to Mr. Hower, Mrs. Badertscher, and Mrs. Rumer for their assistance and valuable advice.

Cercle Francais is the newly-formed French Club. The purpose of the club is to give students an opportunity to speak in French and also to hear lectures spoken in French. The members learned French customs and songs as well as trying French foods. A French war bride addressed the Cercle at one meeting and a banquet featuring French foods was held on May 1.

The purpose of the Latin Club is to add interest to the study of the Latin language and culture. Members of the club consisted of students enrolled in Latin I or II. In the spring the members made projects and displayed them during Latin Week. In March several students attended the Ohio Junior Classical League Convention in Columbus. Mrs. Hall was the sponsor for the club.

Librarians Provide Attractive Study Area

Due to the efficiency of our librarians, the library has been an attractive place of study and reading enjoyment this year. Miss Shrider and her team of 23 girls assist students in reference work and book selection, while keeping books and magazines in order and repair. Their work has been greatly appreciated.

Parliamentary Procedure Team members Stephanie Pugsley, Deb Graham, Greg Hughes, Ruth Bolyard, Nancy Roberts, and Bev Fields admire their second place trophy that they won at State Convention.

The Future Business Leaders of America have been quite industrious this year. Participating in the District Convention, Greg Hughes placed first in Bookkeeping II, Nancy Roberts received first in Bookkeeping I, and Dolores Kleman placed third in Shorthand II.

The members earned their share of honors this year, when they travelled to Cincinnati for the State Convention. The Parliamentary Procedure Team won second place, and Greg Hughes was chosen "Mr. F.B.L.A." Also, Dolores Kleman placed first in Bookkeeping I.

The club's projects included sponsoring a "Who's Who Dance" and presenting needy families with Christmas baskets.

FTA Aids Teachers

Future Teachers of America seeks to enable its members to study and to identify the qualities, traits, and aptitudes which are basic or related to successful teaching; to acquire an understanding of the history and development of our public schools and an appreciation of the contributions they have made to our democratic, free society; to secure accurate vocational opportunities in education; and to participate in prevocational activities which are both exploratory and development in nature.

FMC Club Visits Health Spa

Reviewing plans for the seniors' farewell bowling party are Peggy Byerly and Mrs. Kiracofe.

Bath's Future Medical Careers Club, sponsored by Mrs. Marjorie Kiracofe, strives to interest students in careers of medicine. Guest speakers for the club meetings this year included Dr. Thomas Leech, who discussed plastic surgery; and Mr. Paul Shin, who spoke about Memorial Hospital's Explorer Club. Mr. Dean Nichols demonstrated artificial respiration on Rescue Annie.

The members went on field trips to Siferd's Funeral Home and the Martin-Cline Health Spa. In May some of the members registered next year's first-graders. By the end of the year, FMC members had learned much about the possibilities of a medical career.

"No thanks, we're just looking," is Michele Casey and Judy Fuhrman's reply regarding coffins.

FHA Supports Orphan

Sewing is helpful for Carleen Hollar and Tracy Gwinn in our age of rising hemlines.

The Bath Chapter of Future Homemakers of America made this year a very active one. Jeanice Burkholder was the head of the club. Her assistants were Becky Eversole, Vice-President; Elladean Taylor, Secretary; and Priscilla Fedele, Treasurer. Other officers included Deb Kohli, Peg Seeling, Jill Graham, Deb Lawrence, and Teressa Smith.

One of their most satisfying activities was supporting a Korean orphan. This was done through profits from a candy sale. F.H.A. again sponsored the annual Mistletoe Ball. Mrs. Luginbuhl spoke and showed slides of France at one meeting.

The Bath Chapter had the honor of hosting a Subregional Meeting and the Allen County Meeting, at which Jill Graham was installed as county president.

BLUE TIE CLUB. *FRONT ROW*: Bill Gary, Jack Workman, Bob Bowerman, Larry Runneals, Phil Coleman. *SECOND ROW*: Mr. Conrad, Lyle Symonds, Steve Fisher, Joe Klass, Steve Rhine, Steve White.

Varsity B is made up of Bath High School athletes who have earned a varsity letter in any of the major sports. This year's president was Steve White, vice-president was Phil Coleman, and secretary-treasurer was Greg Hughes.

In addition to selling programs at the basketball games, the boys also gave Christmas baskets to needy families. The club members participated in two basketball games. These were the Varsity B-Faculty game and the Donkey Basketball game. The proceeds from these games will be used in the athletic program.

The Blue Tie Club is an honorary organization which stems from the football team. During the football season Blue Tie Club points are awarded in various categories. Those players who have accumulated 500 or more points at the end of the season are presented a blue tie. Any player earning the award for the second time receives a Blue Tie Club tie-clasp.

GAA Initiates 21 New Members

The Girls' Athletic Association started its activities in September with an initiation of new members. Twenty-one members were inducted into the club, bringing the total to 111.

The activities of the G.A.A. included the customary basketball and volleyball intramurals, a fall hike, and sponsoring the All Sports Dance with the assistance of the Varsity B. An awards banquet was held in May to honor those girls deserving recognition for their work in the club.

Block Backs Boys

The 1968-69 Block B, was very active this year. Long before basketball started, the Block was planning for a successful season. The "B" consisted of 21 girls who wore gold vests; and the blue background was formed by the 69 members wearing blue vests. There were also ten alternates in the group. This year's Block was almost twice the size of the 1967-68 club.

In size our Block was outnumbered, but in spirit they were never overpowered. They attended our nine home games and travelled to two away-games. The Booster's Club chartered buses to take the girls to the tournament game.

Cheerleaders Inject

The spirited varsity cheerleaders boosted the morale of the players and aroused spirit among the student body. The cheerleaders made posters which were displayed throughout the school and at pep assemblies they performed humorous skits.

The reserve squad attended Cheerleading Camp at Vincennes University in Vincennes, Indiana last summer for one week. The squad received first and second place in competition throughout the week. On the last day the girls received the "Spirit Stick", which they were able to bring home.

The freshman squad worked diligently and constantly to create enthusiasm and boost spirit throughout the freshman class. Their cooperation and loyalty contributed to the winning season for the freshman team.

Varsity cheerleaders show spirit during a pep rally.

Varsity cheerleaders chosen this year were Vicky Martens-Mascot, Debbie Lackey-Captain, Pat Storman, Sharon Holland, Becky Eversole, and Sondra Shepard.

Reserve cheerleaders chosen this year were Jan Amstutz-Alternate, Jean Bucher, Karyn Best, Diana Fraley, and Marna Thomas-Captain.

MAJORETTES. *KNEELING*: Janice Laws, Head Majorette; Rhonda Whetsel, Drum Majorette. *STANDING*: Terry Weber, Pam Diepenbrock, Rhonda Hull, Gloria McClintock, Lil Cramer.

The Bath Senior Band was kept busy this year through its various activities and reorganization. Band students began practice for football season in July, preparing them for halftime shows at all the games. After football season, the band reorganized and divided into two bands, the Concert and Symphonic bands, with the Symphonic band working on more difficult numbers such as the "Overture of 1812." There was also a Full band which combined both bands. Other activities included the Fair Parade, Memorial Day Parade, Santa Claus Parade, and Cedar Point. The greatest honor, however, was meeting Presidential Candidate Richard Nixon at the railroad station and escorting him to the Lima Square.

The highlight of this school year for the A Cappella Choir was the production of the musical "South Pacific," presented on May 9 and 10. The A Cappella Choir also sang at the Christmas Concert, as well as entertaining for the Lima Management Club. The group made their last contribution to the '69 Spirit by singing at graduation.

The officers for this year were Janell John, President; Larry Runneals, Vice-President; and Mike Riner, Secretary-Treasurer.

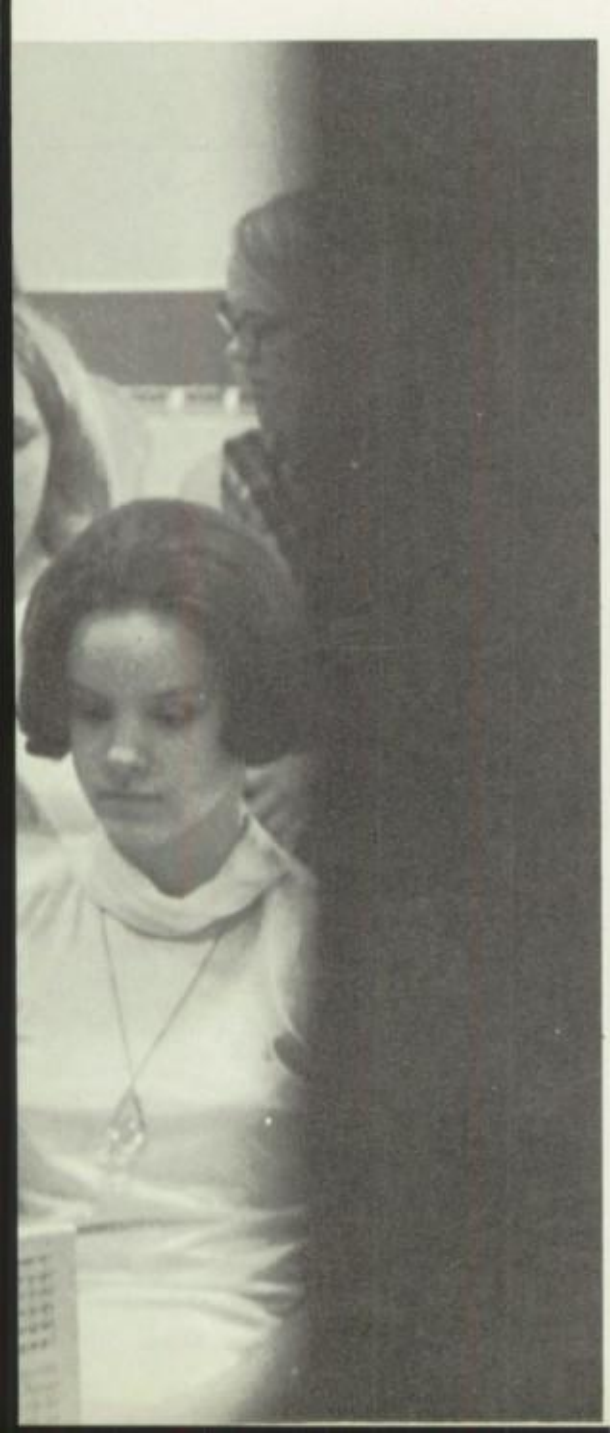
Frosh Enter the World of Music



The Bath High School Mixed Choir, despite limited male vocal strength, has contributed much to the entertainment of the past school year. The chorus was exposed to many types of music. They have performed spirituals, popular numbers, folk tunes, and patriotic songs. The group sang at the Christmas Concert and also at the Spring Concert, "On the Lighter Side."

After many years of service, the Mixed Choir will be newly christened the "Senior High Choir" for the coming school year.

The Freshman Choir is to prepare the students with a more complete musical background before entering other vocal groups at B.H.S. The choir received experience in performing for an audience during three concerts in which they participated throughout this school year. Those were the Christmas Concert, a concert for the Junior High students, and the Spring Concert. The officers of the 1968-69 Freshman Choir were: Tom Edmiston, President, Karen Roberts, Vice-President; and Charles Delph, Secretary.

Boys' Glee

The Boys' Glee Club, under the direction of Mr. Jack Pryer, is the only all male musical group at Bath High School. The officers were: Larry Runneals, President; Phil Coleman, Vice-President; and Charles Kissling, Secretary-Treasurer. The group participated in the Christmas Concert, the Spring Concert, and various other school and community activities.

Girls' Glee

The kittens were comprised of a group of girls singing for area meetings.

The Girls' Glee Club was actively engaged this past year. Besides singing for the Spring Concert and the Christmas Concert, the Club performed for various business meetings and school activities. Joyce Crider headed the Glee Club, while Denise Smith and Denise Lackey held the positions of Vice-President and Secretary-Treasurer respectively.

The Ensemble this year was engaged in singing for various clubs, meetings, social gatherings, and school functions.

The Boys' Ensemble also sang at State Solo and Ensemble contest and received a superior rating.

Boys' and Girls' Ensembles Participate at Contest

Singing for club meetings, school gatherings, and social parties seems to be the main objective of the Girls' Ensemble. After participating in the Ensemble, the girls have a better understanding of vocal music. This year they went to State Contest and received a rating of Excellent.

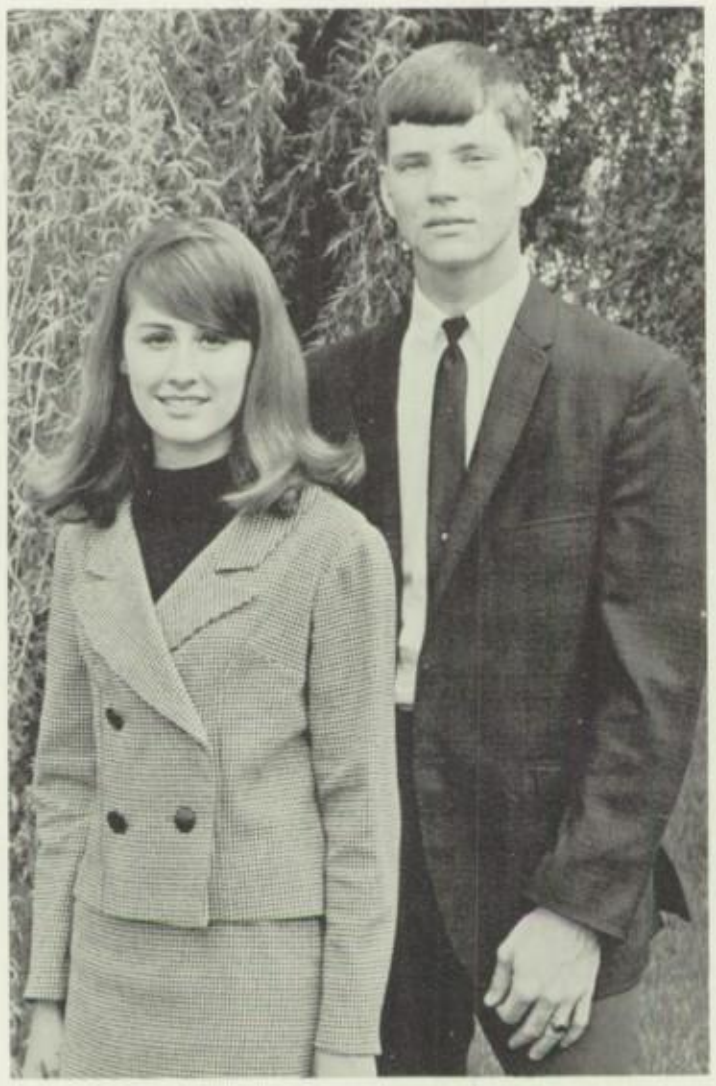
Attendants for the Juniors were Sondra Shepard and Ron Long.

Connie Sellers and Mike Anspach were Freshman members of the homecoming court.

Jean Bucher and Steve Rhine were selected as the Sophomore attendants.

Bev Fields and Jack Workman were chosen Senior attendants.



Homecoming Royalty

The 1968 Homecoming festivities will be a night to remember, especially for those students chosen as members of the court. Deb Lackey and Bill Gary will hold particularly fond memories of that occasion because they were elected King and Queen. The last event of the exciting evening was a dance, "Autumn Harvest," sponsored by the Student Council.

The Seniors also chose Rhonda Hull and Steve Penhorwood as members of the homecoming court.

These students, chosen by their classmates, were the 1968 homecoming court and the 13th homecoming court at BHS.

Mistletoe Ball *Christmas Fantasy*

The highlight of the Christmas season was the Mistletoe Ball. The theme, "Christmas Fantasy," was beautifully interpreted through the decorations made by the F.H.A. Those who attended the dance found themselves in the midst of a glittering fantasy world.

Stuffed animals and other toys adorned the gym.

The junior girls worked diligently to make the Mistletoe Ball a night to remember.

This happy jack-in-the-box greeted the couples as they entered the gymnasium.

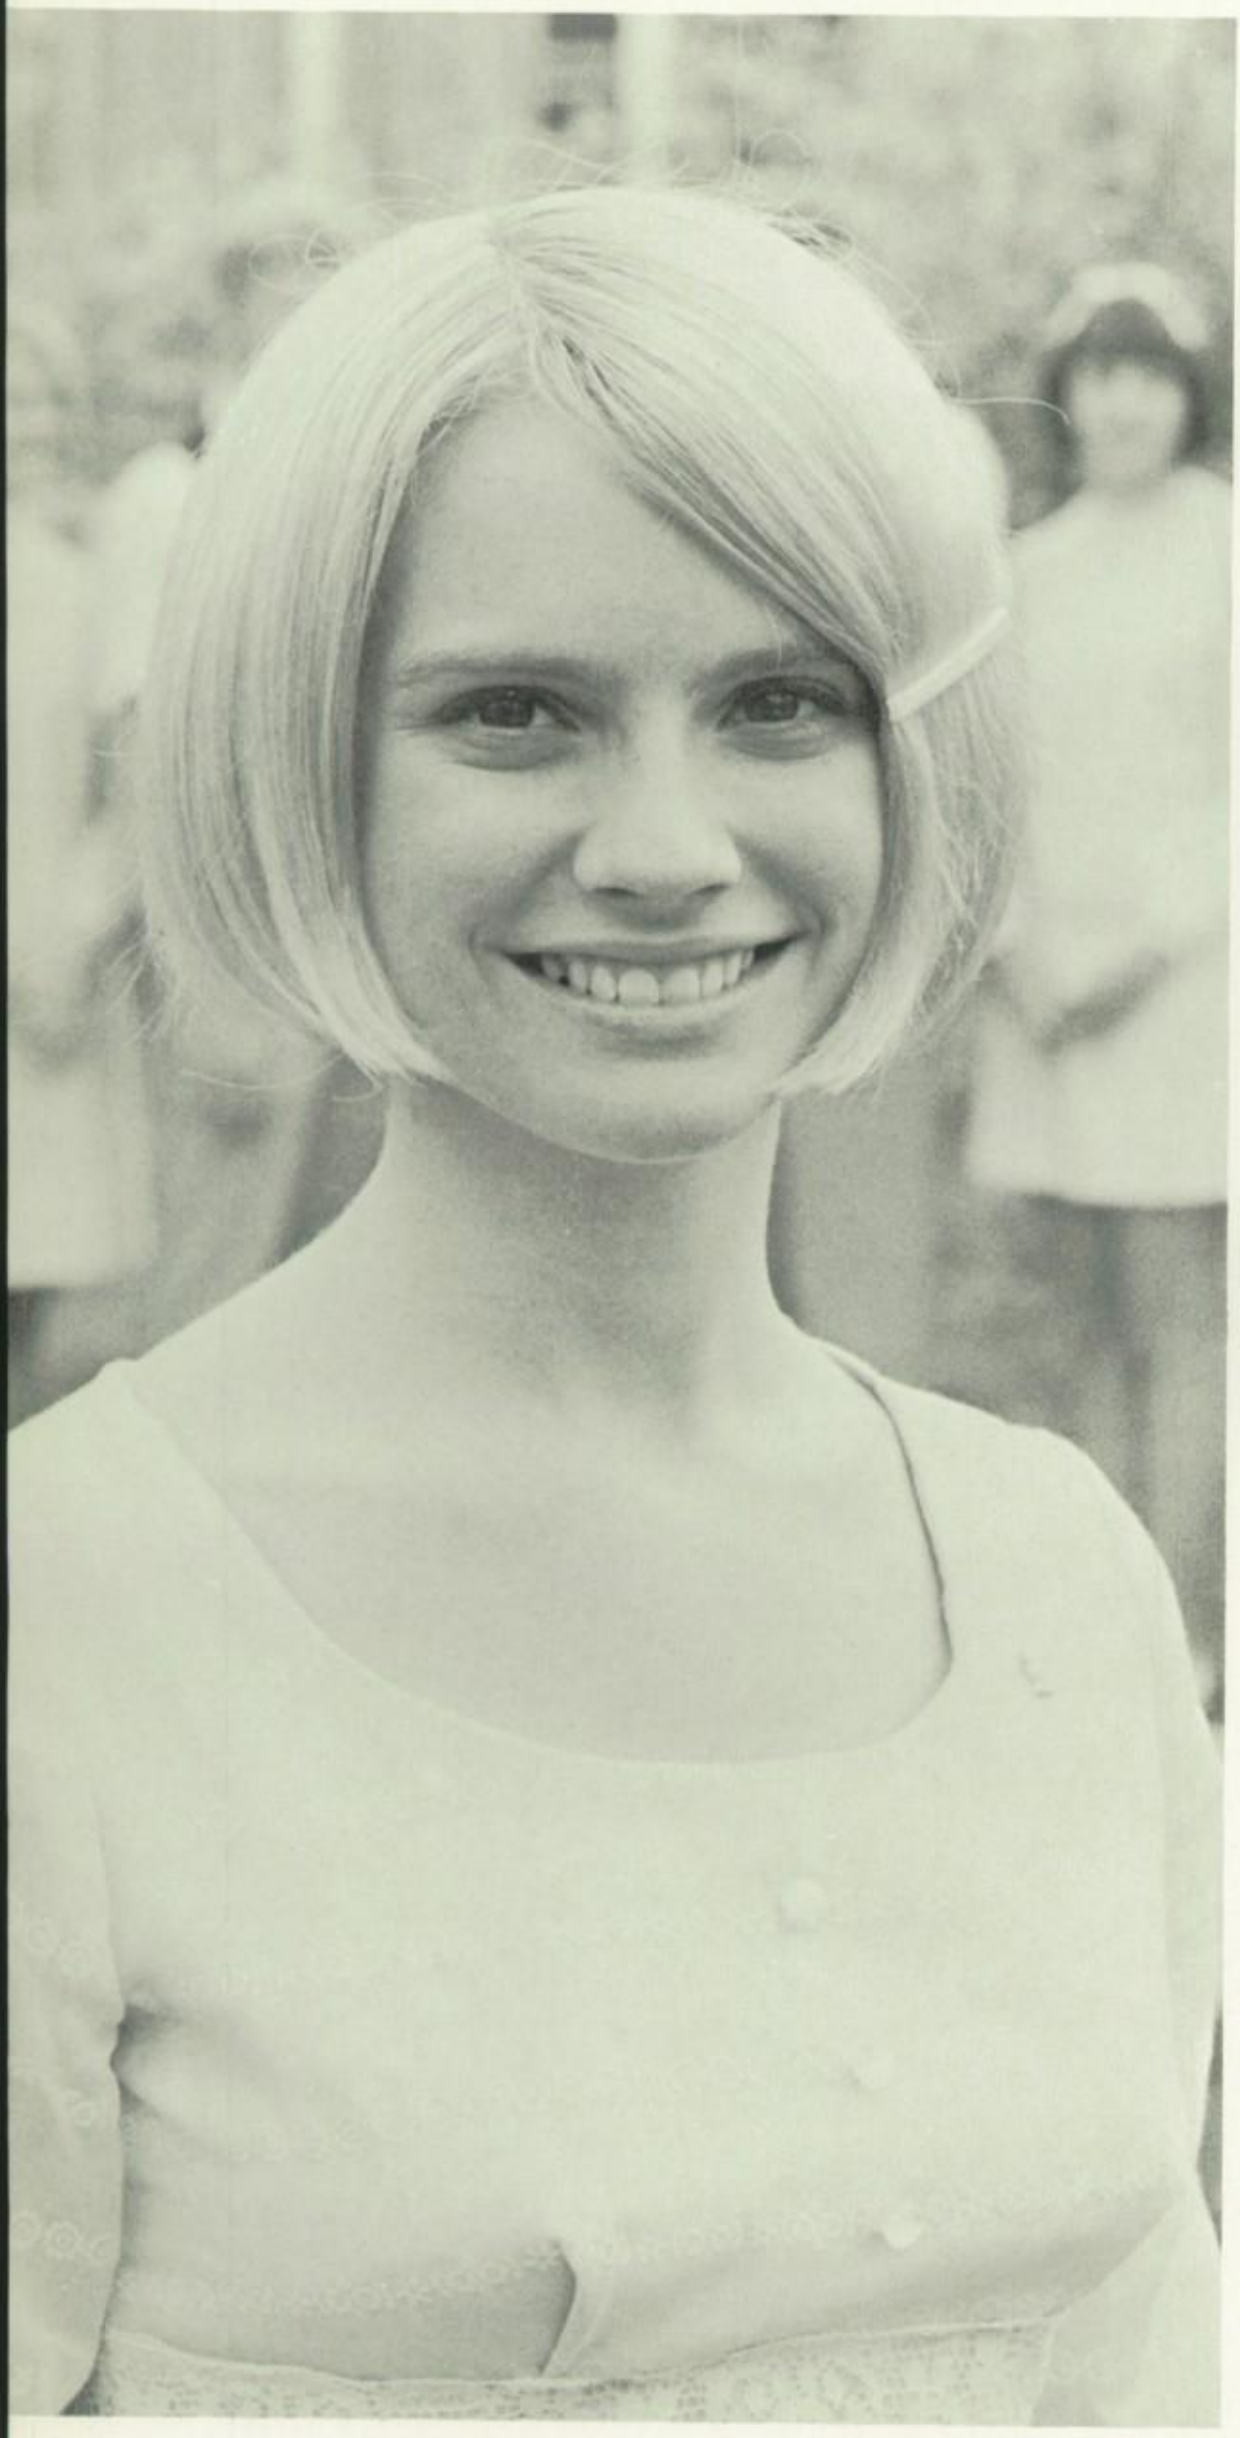
Left: Mrs. Driver and Mrs. Rumer endure entertainment.
Right: Mary and Jerry have fun preparing for Ball.



Pat Reigns as Queen

Pat's radiant personality and genuine interest in others is evident in all that she does.

Pretty, petite Pat Stormann was chosen to be the 1969 All-Sports Queen. She reigned as a very deserving recipient of the title. Pat was an active member of G.A.A. and a cheerleader all four years in high school. During the ninth grade, she was on the freshman squad; as a sophomore and junior, a reserve cheerleader; and the senior year, a member of the varsity cheerleading squad. Her spirited voice spurred the Bath athletes on to many victories.

Larry Reigns as King

Larry Runneals was elected All-Sports King. Throughout his high school years, he participated in many sports. Larry played football and in his senior year was tri-captain of the team. During all four years, this athlete was on the basketball and baseball teams and acted as baseball co-captain his fourth year. Larry received several honors during his athletic career at Bath. He acquired honorable mention for football in All-City, All-League, and Northwest District. In the senior year, he received the Helmet Award. Larry was truly an All-Sports King.

Larry has not only been an active participant in sports, but he has also contributed much to the leadership at B. H.S.

Mike Hall, Cindy Mattavi, Diana Potts, and Ron Nordyke were certainly a perky-looking group.

Janell John, Larry Runneals, Phyllis Kline, Gene Fraley, Michelle Crissinger, and Bob Bruno anxiously arrive at the dance.

The theme of this year's All-Sports Dance, *"Maypole of Sports,"* was illustrated by the huge maypole in the center of the Junior High gym. The G.A.A. worked hard to change the gym to a gala ball room. Their work was well spent as the evening proved enjoyable for everyone.

Our Thing

"Our Thing" was presented to the student body and the public by the junior class in the late winter. Patterned after NBC's "Laugh-In," "Our Thing" contained short skits, slapstick comedy, one-liners, and commercials. The entire play was written by the class members and director Mr. Lynn Schneider. Highlights of the review were the pie-throwing contest, the "This Is Your Life" skit, and "Fred Smack's Original Amateur Hour."

"Our Thing" came complete with its own "sock-it-to-me" girl, eggbeater, stork, original "Brillo Pad," and "dirty old man."

Becky and Les begged the audience to try their CORN FLAKES!

Bath Players Present "Inherit The Wind"

On April 10 and 11 the Bath Senior Players presented "Inherit The Wind" in cooperation with the Dramatists Play Service Inc. It takes the audience back to 1924 when the "Monkey Trial" of Dayton, Tennessee caused a great wave of excitement to flood the country. It was to determine if evolution should be taught in the schools. "Inherit The Wind" is a recreation of that eminent trial written in a manner that makes its lesson applicable to any year, not just 1924.

The two dynamic lawyers were portrayed by Alan Harnisfeger as Henry Drummond and Denny Goedde as Matthew Harrison Brady. "Inherit The Wind" was under the direction of George Cox and assisted by Linda Crawfis.

"Strike down this sinner, as thou didst Thine enemies of old, in the days of the Pharoahs!"

One of the most comical characters in "South Pacific" is Bloody Mary played by Marna Thomas.

Tom Griffin had the romantic lead as Emile De Becque, a French plantation owner.

"South Pacific"

At the curtain call all players were congratulated for a magnificant performance.

"South Pacific" is a love story. It takes place during World War II on an island where a detachment of sailors and marines is stationed. Emile De Becque has been a plantation owner on these islands for twenty years, and is portrayed by Tom Griffin. De Becque falls in love with a Navy nurse, Ensign Nellie Forbush, played by Janell John. She is an unsophisticated "hick" from Little Rock, Arkansas.

Bali Hai is the island which is off limits to sailors. Cable, by Bob Lyle, a young lieutenant, finds it necessary to break these rules so he can see Liat, a native girl, played by Pam Parks. Billis and Bloody Mary proved to be the most comical characters.

Ron Long, as Billis, shows the guys how a real hula dancer does it.

Good Luck to

Graduation exercises were held on June 8 in the Bath High Gymnasium. The salutatory address was given by Dolores Kleman, and Cathy Sandy gave the valedictory speech. The Class of '69 chose the daisy as their favorite flower and pastels of yellow and green were class colors.

The seniors marched into the gym to the strains of "Pomp and Circumstance" as the ceremony began. All were seated and thoughts started stirring in each and every mind. Some of the class members were thoroughly delighted at the prospect of graduation; but expressions of anxiety and anticipation could be seen on most of the excited faces. These individuals were pausing to recall cherished memories of their past at BHS. But the past had to be tucked away as the students each underwent a self-evaluation and made plans for the future. They seemed to be asking themselves, "Am I prepared to meet the challenge that is awaiting me?" Then Mr. Thompson was calling out the first name. Carol Jean Core went forward to receive her diploma; and each knew in his heart that he must be ready to take up that challenge and meet the demands for a better tomorrow.

As the tassels were moved from left to right, the Alumni realized the importance of their motto, "What we are is God's gift to us; what we become is our gift to God."

Cathy Sandy gives valedictory address.

Anxious seniors await the awarding of diplomas.

The 1968-69 Bath High School varsity football team ended the season with a record of 5 wins and 5 losses. The Wildcats started off the season with losses to Tiffin-Calvert and Shawnee. The Wildcats finally got rolling as they won their next 3 games defeating Ottawa-Glandorf, Van Wert, and a homecoming victory over Kenton. Then after a bitter defeat to Coldwater, Coach Conrad's crew produced shut-out victories over Wapak and St. Mary's. The Wildcats had an opportunity for at least a tie in the W.B.L., but this chance was whittled away by Celina as the Wildcats were literally "overpowered," 27-7. For their finale, the Wildcats travelled to Sidney where they encountered the Yellowjackets who were currently 9-0. The previous year Bath had shut out Sidney 28-0 in the 4th quarter. With revenge in their eyes, Sidney struck back. After overcoming a demoralizing first half, the "Comancheros" and "Raiders" did a tremendous job in the second half; and the Wildcats returned home battered physically and mentally.

Bill Gary was voted Most Valuable Player, and Helmet Awards went to Larry Runneals, Steve Rhine, and Steve White.

The 68-69 team landed quite a few players on post season all-state teams. These were as follows: Steve Penhorwood, All-City, All-W.B.L., QB; Bill Gary, All-City, DHB; Steve White, All-City, Tackle; Larry Runneals, All-City, All-W.B.L., DHB; Bob Hunter, All-W.B.L., Def. End; Bob Bowerman, All-W.B.L., Mid. Guard; Jack Workman, All-W.B.L., Tackle*; Steve Fisher, All-City, Off. End. *Jack was voted "Lineman of the Year" in the Western Buckeye League.

Freshman Football

The freshman football team's record was 6-0-1 this year with the tie going to Spencerville in the middle of the season. This year's team had good size and fair speed for a freshman squad, with many fine individual standouts. The coaches look for a lot of these boys to be a great help to the varsity team during the 1969-70 football season.

Girls' Swim Team Created

Nancy Rasor, Debbie West, Linda Darbyshire, Yvonne Guerra, Michelle Casey, Janell John.

This first year for the Bath Swim Team consisted mainly of organization and shaping of the team. They participated in three meets and a championship meet with four other local schools. Beverly Little coached the team with Mrs. Ruth John as her assistant. Captain of the team was Janell John. Their practices and all meets were held at the Y.W.C.A.

Baseball 1969

The 1968-69 Bath High School Baseball team started their twenty-two game schedule with an all-important win over Ottawa-Glandorf (4-1). They had a six-game winning streak going when a snag, in the form of Wapak, stopped them by a 2-1 score. Errors and a lack of hustle cost the Wildcats this game. They continued on with a six-game winning streak, only to be stopped by Napoleon. With make-up games and the last part of the schedule, Bath earned a right to play Wapak for the Eastern division crown of the W.B.L. They came out a 3-0 victor with 17-3 record, the best ever at Bath High School.

With eight seniors anchoring the team, they went into the division playoffs. The Wildcats fought hard but lost both games in the division playoffs.

Co-captains of this year's team were Bob Bruno and Larry Runneals.

The J.V.'s also did very well for the season with a 12-2 record which also sets the school record.

The team contributed greatly to the winning season, but coaches Dwaine Holt and Mike Ingram must also be commended for proof of their fine skills.

From one fence to the other Bath excelled.

Batting practice was the key to Bath's hitting success.

Golfers Win Third W.B.L. Golf Title

Three years straight the Wildcat golfers have cobbed W.B.L. honors, completing another championship season with a perfect record in W.B.L. matches. Medalist honors were shared by Jerry Pratt and Mark Hornung all season long. With a fine nucleus of young golfers, Coach Ellis is looking forward to a fine golf squad for many seasons to come.

Cleans Up at Wildcat Relays

The Bath track team anticipated great success at the outset of the season, but the boys were quite disappointed when injuries to several team members prevented them from attaining their goal. The team did place second in the Wildcat Relay, however.

There were several outstanding individuals that participated in the track and field events. Some of these were: Shuttle-Hurdle Relay, Bill Gary, Bill Wolford, Gary Czeto, Dave Stemen; High Jump Relay (17'6"), Bill Gary, Jim Andrews, Steve Fisher; Discus Relay, Don Hawk, Steve Rhine, Hal Cook; High Jump, Bill Gary (6'2"), Jim Andrews (6'1"); and Dave Stemen, who was the W.B.L. Low Hurdle Champion.

From the early days of practice way back in November it was evident that Bath had a basketball team, as big Jim Andrews looked mighty awesome when he got into the swing of things. Then came the first test, L.C.C. . . . VICTORY. Next came Defiance . . . VICTORY. The win over Shawnee was especially sweet. But there was more! Delphos St. John and Dayton Belmont were the next victims. At this point in the season the state ratings came out for the first time and Bath was number five. The Wildcats continued to roll on to the W.B.L. championship with a perfect 18-0 record. And then came the tournament and Lima Senior and defeat for the first time, 73-69.

The '69 season was the best in the history of Bath High, a great season, a great team, and a great coach.

Diepenbrock is in full command.

Coach Holt's reserve squad notched 16 wins against only two losses this year making it the winningest season in the history of BHS! The tendency for the varsity overshadowing the reserves was not the case, however, as they made an exceptional showing against all comers. Many boys gained the needed experience that will catapult them into varsity positions next year. The showing this squad made assures the fact that in the future the reserve games will be followed more closely by Bath basketball fans.

The freshman basketball campaign was very successful in '69, as the W.B.L. runner-up trophy which is on display testifies. Although the squad played two important games shorthanded due to sickness the overall performance was commendable. Many fine individual efforts point toward greater things in the Bath basketball program as many young men have been aided immensely through the freshman program which is under the direction of Coach Ted Winters.

The students at Bath are not only participants in school, but are also members of society and the world around them. They are involved in the community through their patronage of local businesses. In this continuous cycle, the students receive the goods and services they want and in turn help to support the merchants. The merchants' improved businesses may offer better services and more jobs for students. With jobs come knowledge of business skills and more money to share with local merchants or to finance students' further education. This continuous cycle was very important in "The Spirit of '69."

An Afterthought

As the school year comes to a close, we become aware of another part of the Spirit of '69-that is of wondering what lies ahead. We can only dream of what the future holds for us and use all we have learned to make it the best possible. Whatever happens, there will never be a year at Bath quite like the 1968-69 school year, with all its changes, shortcomings and accomplishments. It is our hope that this yearbook will be used in recalling memories of that year.

This RECAL would not have been made possible without the help and guidance of Mr. Paul Whitaker, our Anchor Printing representative; Mrs. Barbara Kuehne, our former advisor; Dicken and Wonders Studio; and Mr. Jim Thomas, photographer. Our special thanks and congratulations to our cooperative staff and to our proficient advisor, Mr. Robert Hartshorn.
